Sorry to call you over suddenly like that
Ah, it's okay, don't worry about it
I'll apologize to Tatsumiya later
I was the one who asked Negi-kun for the favour
Secchan
Yes?

akayuuki.blogspot.com

I wish for Secchan to be by my side even if it's not a situation like this ...
Eh ...?
Recently, whenever we mention temporary poctio, you would run owoy ...

Asuna, how's your exam paper?

Un, it's all thanks to you all

It's wonderful, Konoka-san

Yep, she's back to normal

* Pull

You already knew!? You already knew my results didn't you!?

Shut up! I'll let you know that I risked my life to complete my paper!

Well, it's because Asuna-san's exam paper wasn't far from the bottom ...

Ah, but it's better not to expect too much

Excellent!

Besides, I still remembered ...
If Ojou-somo forgot obout it ...

That time

I wonder what she was trying to tell me ... ...

Forget it, I think I'm thinking too much into it Well then, during the exam
Your behaviour towards Konoka seemed different as compared to two days ago
It's not difficult to assume that something happened yesterday

No, it's nothing, please do not worry over it
Sudden attack
What's the matter? Secchon's face is all red
It's because Ojou-sama doesn't remember what happened yesterday ...
Ah, isn't it by chance that ....

akayuuki.blogspot.com

Can't say what happened ...
I wonder what then
Nn—, but then, it doesn't seem so
... I passed my flu to you yesterday?

... not because of temporary contact isn't it

Eh about yesterday

I never meant to kiss just because of the temporary contact
I merely wanted to kiss Secchan

So when I'm drawing Double Eagle* I'm a little troubled

* I'm assuming the Martial Arts Four to be Asuna/Chao Rinshen/Negi, Ku Fei, Setsuna and Tatsumiya
